## Punctuality

Registers are taken at 8.45am  
10 minutes after the school doors open at 8:35am.

**On time every day** → 0 days of learning lost

**5 minutes late daily** → 3 days of learning lost

**10 minutes late daily** → 6 ½ days of learning lost

**15 minutes late daily** → 10 days of learning lost

**20 minutes late daily** → 13 days of learning lost

**25 minutes late daily** → 19 days of learning lost

Making sure your child is at school and ready to learn, before the school bell rings, is vital to ensure they don't miss out on key learning and start their school day unsettled.

We therefore encourage parents to aim for 8:35am, and if you are running late then you should still arrive to school on time

**Did you know? Being 15 minutes late each day is the same as missing two weeks of school!**

See our minutes lost calculator to find out how much school your child misses each year if you are late:

Parents/Carers should always apply to the Headteacher for any request for leave in term time by completing a request form available from the school office. (DfE guidance states schools should not authorise leave retrospectively so any leave in term time taken without a request being submitted will be unauthorised absence).

**Please be reminded of the following which came in on 1st September:**

- If your child has **10 sessions** of unauthorised absence in a 10 school week rolling period, you may be issued with a Penalty Notice. These 10 sessions may include any unauthorised absence, including leave in term time and do not have to be consecutive.
- **Penalty Notices are increasing to £160 from September 2024.** This can be reduced to £80 but only for the first Penalty Notice issued, if paid within 21 days - this reduction does not apply to any subsequent Penalty Notice.
- Any 2<sup>nd</sup> Penalty Notice, to the same parent for the same child, issued within three years of the date of the first Penalty Notice will be charged at a flat rate of £160
- A third Penalty Notice will not be issued within a three year rolling period, to the same parent for the unauthorised absence of the same child, - alternative action or legal measures will be utilised for subsequent offences.

In some circumstances a 'Notice to Improve' may be issued - However, a Notice to Improve will only be used in cases where support is appropriate. They will not be issued in cases of unauthorised leave in term time for holidays, where information for parents is included on schools website or a simple warning by the school that a Penalty Notice could be issued if unauthorised leave in term time is taken will suffice.
